Dear Professor Rafid sir,

I hope you are doing well. I am writing to provide you with an update on our group project. So far, we have completed the research and gathered most of the information needed for the project. We have also started organizing the content and preparing the final presentation.

One challenge we have faced is coordinating everyone's schedules, which has caused a slight delay in completing some sections. However, we are communicating regularly and working together to stay on track.

We expect to complete the remaining work by [expected completion date]. Please let me know if you would like any additional information or if there are any changes you would like us to make.

Thank you for your guidance and support.
Best regards,
